RE: At-Risk Afterschool Snacks

Wenden Elementary School District #19 would like to start offering our students Afterschool Snacks beginning Monday, February 13, 2023.

The At-risk Afterschool Snack program allows us to offer free Afterschool snacks 7 days a week to our students. Daily snacks will be available for students after school. If your student rides the bus, they will receive their snack as they exit the bus. If you pick your student up from school or they walk to school, they will receive their snack as they exit the campus for the day. Snack packages sent home with students on Thursday afternoons will contain a snack for Thursday, Friday, Saturday and Sunday along with a list of enrichment activities that you can do with your student(s).

Although this program is offered to all students, they have the option to refuse the snack. For this reason and to avoid over production of snack packages, we are asking that you complete the enclosed form advising us whether you would like your student(s) to receive a snack daily as well as the snack package on Thursdays.

Your response will ensure that we are not over producing snack packages for students who do not want one and help us keep the operation of the program cost effective.

Please return your responses by Monday, February 6, 2023 in order for your student to start receiving a daily snack effective Monday, February 13, 2023.

Thank you for supporting the Wenden Elementary School Food Service Department and should you have questions regarding the At-risk Afterschool Snack program, please contact the Wenden Elementary School Business Office at 928-859-3806.

Sincerely,

Gloria Dean, Superintendent

Regina Friedle, Food Service Manager
